Date : 8th July 2018, Sunday  
Time : 8.30 am Onwards  
Venue : Birla Matoshree Auditorium  
Bombay Hospital, Mumbai

Bombay Hospital Trust

Bombay Spine Society

Dear Friends,

Bombay Spine Society – Association of Spine Surgeons from Mumbai undertakes various training and education programmes including BSS clinical meetings, BSS annual conference and BSS outreach programmes in various cities of country. The social wing of BSS is extensively working to provide premium spine care to the poor and needy of the country whilst research wing conducts research on various contentious issues to reach a common consensus for generations.

BOSC is an annual operative flagship spine course of Bombay Spine society, to enhance learning experience in spine surgery whilst reducing the learning curve. BSS oration + Theme based CME involves deliberation by the experts and masters of the subject along with a full day theme based CME on a topic of broader interest.

Theme for BSS-ORATION + CME 2017 is "Degenerative Spinal Ailments" which involves detailed case based discussion on PIVD, LUMBAR CANAL STENOSIS, SPONDYLOLISTHESIS, and CERVICAL MYELOPATHY. Various aspects to be discussed in detail include decision making, patient selection, surgical tips and complication prevention & Management. Oration by the masters from fraternity is an icing on the cake providing detailed insight into the past, present and future of finer aspects of Degenerative Spinal Ailments.

The orators for "Bombay Spine Society + Bombay Hospital Oration 2018" are stalwarts in the field of spine surgery

- **Dr Arvind Jayaswal**, Past president ASSI, APSS & DSS, Ex Prof & HOD - Dept of Ortho and Spine Services –AIIMS & Chief -Spine Surgery
- **Dr V.T.Ingalhalikar** Past President & founder member ASSI, Senior Spine Surgeon - Jupiter Hospital Mumbai ;
- **Dr Arvind Kulkarni** – Founder Member MISSI, EC of ASSI , Senior Spine Surgeon – Bombay Hospital, Mumbai .
